

Ongoing Monthly Events:

Service Clubs & Community Groups

Mirrabooka

Mirrabooka is home to many services including the Library, Neighbourhood Centre, VALMAR, OOSH, Gundagai Youth Group, emergency relief, Gundagai Community Technology Centre, Home and Community Care services and a Centerlink Agent.

There are coordinated events happening weekly at Mirrabooka with something to please all age groups.

Please note that the Neighbourhood Centre is closed on a Tuesday, however the Library still opens.

Paint & Play

Paint & Play is a supported play group with craft and play activities at each session. Please dress your child in clothes appropriate for both indoor and outdoor play activities. Children will need to bring a hat and drink bottle. Please bring along a piece of fruit for each child to be cut up and shared for morning tea. Morning tea is provided for parents.

Music Fun & Storytime

A fun morning for the whole family. Cindy our wonderful librarian is the best story teller in the Riverina and Karen's musical talent is just outstanding! Don't miss it! Please note this activity does not run in the school holidays.

VALMAR – Gundagai Community Transport

VALMAR is an asset to Gundagai, providing local residents with support services including aged support, Meals on Wheels, respite, social support, domestic assistance and more.

VALMAR is always looking for volunteers. Anyone interested in volunteering should contact the VALMAR Gundagai office on 6944 3647.

New to the community?

There are always plenty of social events to give new residents the opportunity to make themselves known and to make new friends. Maybe you could explore the option to volunteer at one of Gundagai's community services. This is a great way to meet locals. Feel free to drop into the Visitor Centre to receive a new residents information pack. We are here to help 7 days a week!

Do you have a local event you would like to add?
